TRAIN WITH THE BEST as our **NEW** studio is ready to bring it this season!

Founder & Artistic Director, Lynn Arevalo is offering a dance program like no other! She has taken on a bigger title and has turned dance into an inspired and unique work of passion and beauty. Her unique style and vision of the craft helped her create her own Performing Arts Company & Dance Studio.

The **b.i.s.i. Chicago Dance Company**, located in Elk Grove Village, produces a wide variety of quality performing arts through dance, theatre, music and aerial art.

We are taking **DANCE & THEATRICALS** to the **NEXT LEVEL** and can't wait to see our students shine on stage with us! The artistic staff of the **b.i.s.i. Chicago Dance Company** teaches our students to be as technically strong and versatile as possible. We as a team are fully committed to teaching, passing on the art of inspiration through dance and physical expression. Our programs are taught by experienced professionals in the field, with a cutting-edge curriculum designed to progressively lead students through the challenging performing art of dance.

b.i.s.i. Chicago Dance Company is raising the barre by bringing Chicago-quality talent to the suburbs and is developing more opportunities for the dancers to learn and grow. Our unique creative space offers an extensive dance program for students of all ages and skill levels. They are mentored by accomplished dance professionals, which allows for personal growth as well as superior dance education. Our dancers also have the opportunity to join our youth competitive dance company, where they gain technical proficiency and self-confidence through training, rehearsals, and performances.

The **b.i.s.i. Chicago Dance Company** provides our dancers with a variety of stage productions throughout the year, sharing their passion for dance & theatre within our community.

BISI Presents our 2016 Spring Production:

Step inside my closet

A magical performance about a dancing closet that comes to life!

Our 2016 Spring Recital is a full theatrical production that our talented students & professional dancers will bring to the stage!

A matinee & evening performance will take place on Saturday, April 30th 2016 at the Prairie Center for the Arts in Schaumburg.

All students that are registered with our dance program this season will be highlighted throughout our theatrical production in addition to their recital dance class piece.

All costumes & class fees are included in their dance tuition for the whole season.

We strive for our students to get as much training and stage time as they deserve. It's a dance experience you won't want to miss!

Be ready to watch them shine in a performance where the art of dance and music tell the story!
